Cut for conventional elevator

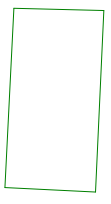

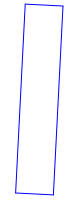

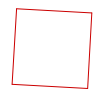

ES1

A hand-drawn diagram of a site plan. It features a large irregular shape on the left, possibly representing a building or a plot, with several green lines radiating from its right side. A red line runs along the right edge of this shape. To the right of this shape is a large, light gray rectangular area. Within this gray area, there are two red-outlined rectangles stacked vertically, and a single black-outlined rectangle below them. A green arrow points from the text 'ES1' towards the left side of the diagram. At the bottom left, there is a green arrow pointing upwards towards a horizontal red line. The entire diagram is enclosed within a black outline.
