

רצון מוחלט

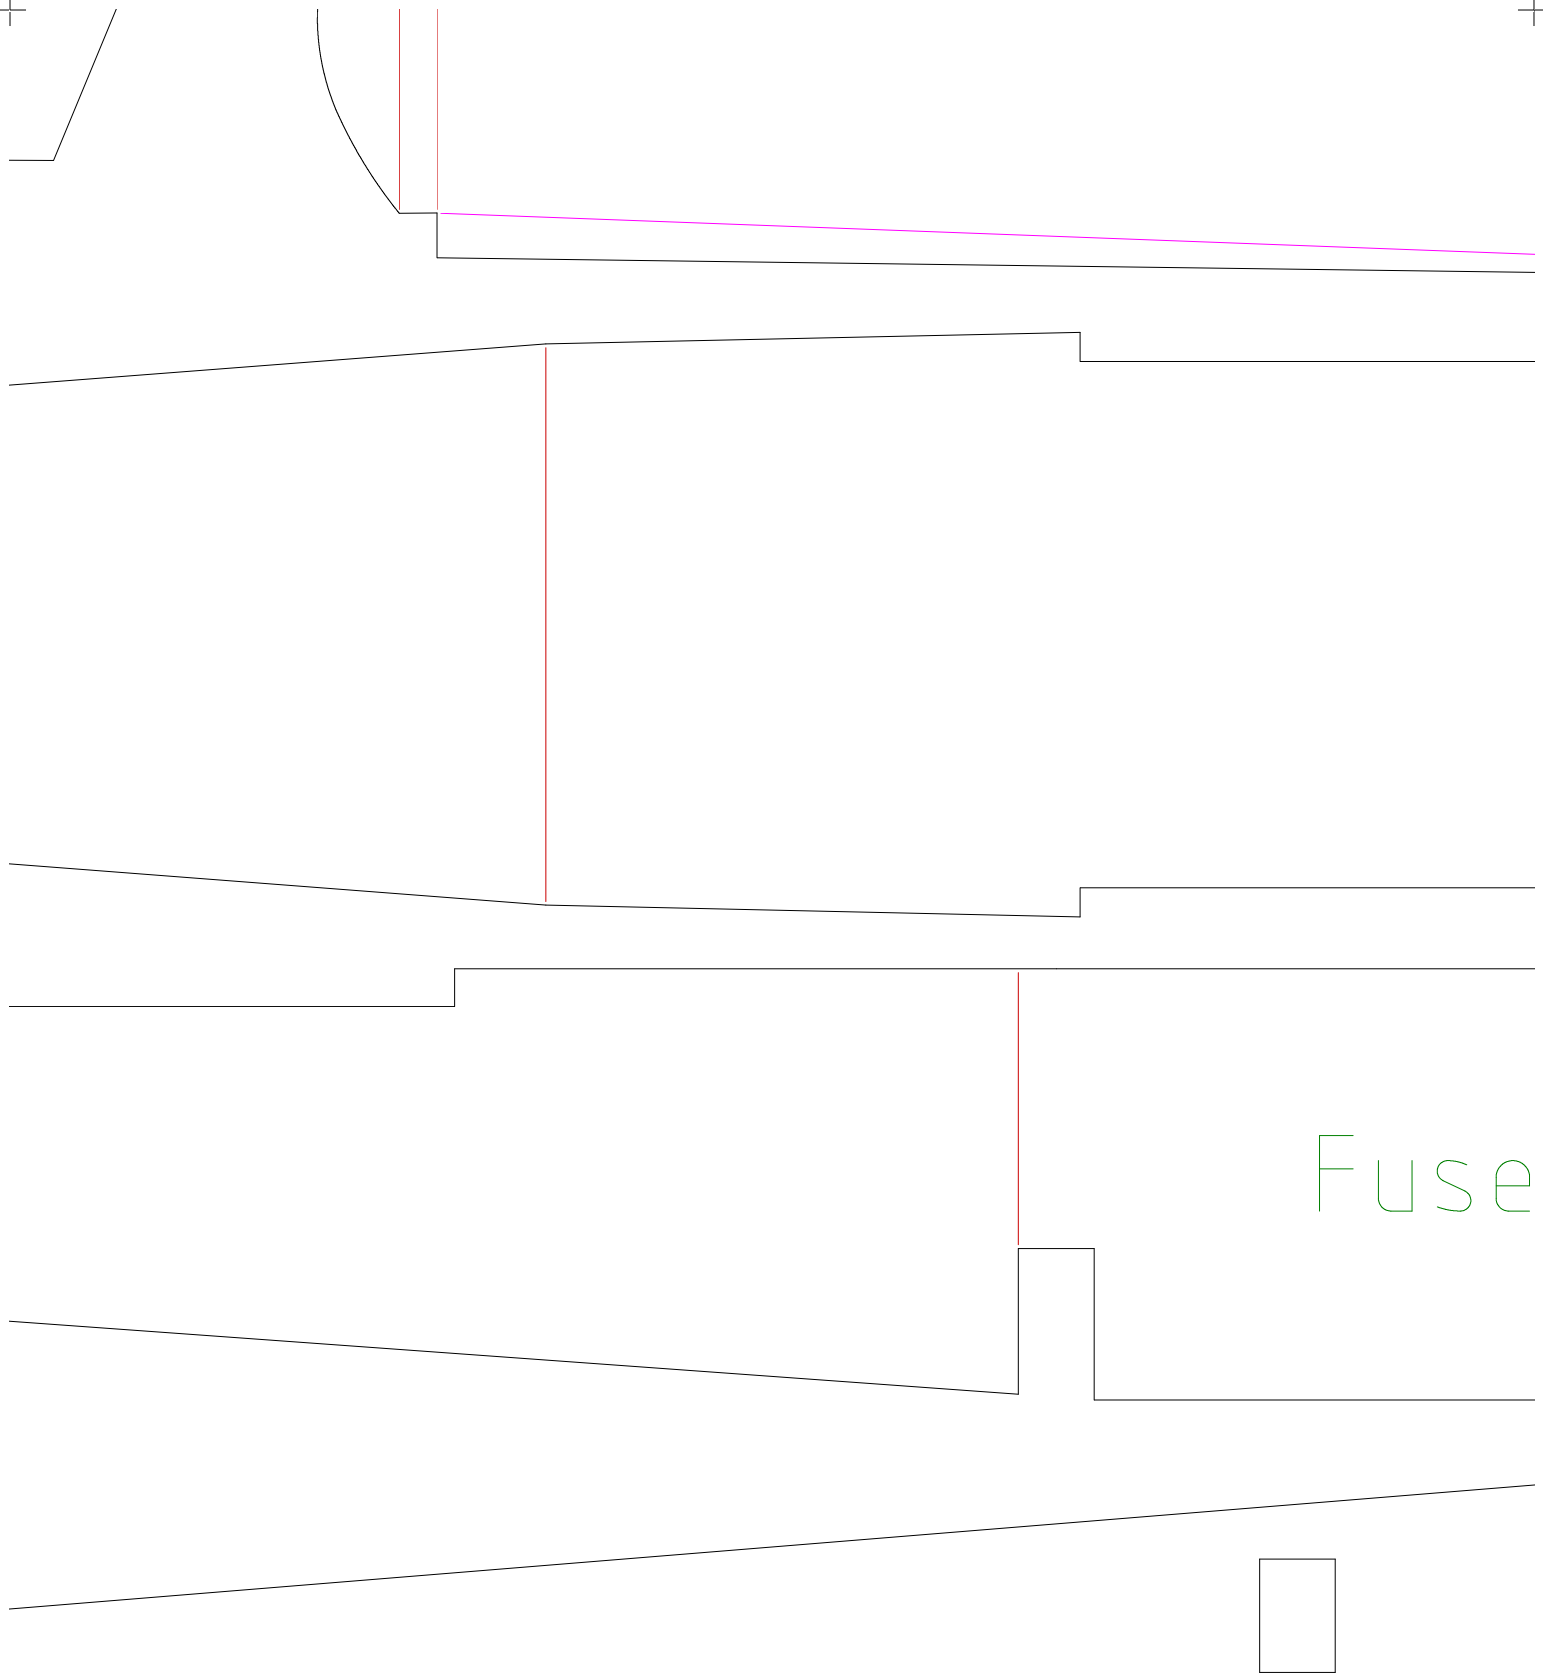

The diagram features a large, irregular polygon with a black outline that occupies the upper half of the page. A green line starts from the left edge and extends diagonally down to the right, ending near the bottom right corner of the polygon. A horizontal green dash-dot line is positioned below this green line. Two parallel magenta lines and one red line are located in the lower-left quadrant, all sloping downwards from left to right. A small black rectangle is situated in the bottom-left corner. A thin vertical orange line runs along the right edge of the page. The text 'H-Stabilizer' and 'all-moving' is centered in the lower-middle part of the image.
